

# LINH THAN

linhlinhthan@gmail.com  
sample works: [linhthan.art](http://linhthan.art)

I am a photographer, videographer, and visual designer from Hanoi with a global education. Since 2015, I've lived in 5 cities, created and exhibited art projects while studying full-time and working with various clients and companies. As I challenge myself with constant changes, my quest in life is to explore, examine, and exalt all things unknown or uncomfortable.
